Dear Parents

It has been a very unusual week for Gidea Park College and for many schools throughout the country. On Monday we opened our gates to some of the pupils in Pre-School, Reception, Form 1 and Form 6, as well as welcoming back our key worker pupils. Whilst ruled by Government guidelines, and with every aspect of school life being slightly altered, it was still a delight to see so many smiling faces and to work with pupils in their “bubbles”. The children (and staff) have coped impressively with yet more new routines, and have shown yet again the adaptability and positivity of children, which reminds all of us why we choose to work in a school!

It was not a ‘return to school’ for teachers and our admin staff, as they have been working tirelessly throughout, and I would like to express my deepest gratitude to those staff who have effectively been working two full-time jobs for the last 7 school weeks (and most of the holidays in between), especially during the height of the pandemic.

Wishing you all a peaceful weekend,

Mrs Whiskerd

Return to School/Life in Lockdown

Whilst some children have been in school, and others at home, all have been busy! Thank you so much for all the photos you have been sending in, showing what you are getting up to at home. Keep them coming in!
